

- eScrip –

What is eScrip?

EScrip is electronic scrip that can be linked to your Safeway Partners Club Card as well as your credit and debit cards. You can then earn money for the school and tuition credit for yourself when using these cards. ** In addition, consider linking the credit cards and Safeway Club Cards of your friends and family so that their purchases will benefit St. Francis and your family.

There are no receipts to collect, no vouchers or certificates to buy!

Important information:

St. Francis Xavier's eScrip Group ID # is 6674745

Sign up online today.

Simply click on the link listed below and start earning money for yourself and St. Francis Xavier right away.

www.escrip.com

**We still encourage you to purchase Safeway scrip at the scrip office as it earns 4% immediately. With the Club Card you will earn only 1-3% (based on volume) and takes 90 days to report activity on your account. Unfortunately, with convenience comes cost but this is a great way for your family and friends to help you earn profits in a convenient way.
