# Do you pay State of Arizona taxes? \*\*

## Make 2009 the year you redirect your taxes to CTODP.

### Good for them.

By redirecting your taxes to CTODP, you will help create tuition assistance scholarships for low income families that desire, but often cannot afford, a Catholic education.

### Good for you.

You'll receive a dollar-for-dollar credit against the taxes you would otherwise pay to Arizona, so your contribution really doesn't cost you anything out-of-pocket.

### Good for Arizona.

99% of Catholic school students graduate, and 97% go on to pursue post-secondary education. A Catholic education truly is one of the best investments we can make for our community.

Take the credit.

\*\* To determine your tax obligation and whether or not you may be able to take advantage of the dollar-for-dollar tax credit for 2009, simply look at Line 25 (Form 140) or Line 12 (Form 140EZ) on your 2008 AZ tax return, or talk to your tax preparer.

## Help support our students at St. Francis Xavier School

**CONTRIBUTE TODAY AND TAKE THE CREDIT. ANY AMOUNT YOU GIVE WILL HELP OUR STUDENTS, AND WILL OFFSET THE TAXES YOU WOULD OTHERWISE PAY TO AZ, DOLLAR FOR DOLLAR.**
