

## Does Your Employer Have a Matching Gift Program?

Many employers have a policy of matching payments made to charitable organizations. This often includes payments made by retirees and/or spouses. Below is a list of some companies who may participate; however we strongly encourage you to consult your benefits coordinator or human resource department to verify current policies. The Internal Revenue Service, as described in IRS Sections 501(c)(3), recognizes St. Francis Xavier Parish, as related to the Diocese of Phoenix and as listed in the Kenedy Directory, as a tax-exempt organization. Often times businesses that do not support programs or projects affiliated with a church will allow their match to be used for programs at a Catholic school.

We ask that you take the time to inquire about a matching program at your company since it can double or triple your payment to the Campaign. To ensure that your matched payment goes to St. Francis Xavier Building Fund you will need to do the following:

1. Obtain the application from your employer.
2. Fill out the employee's portion of the form naming St. Francis Xavier as the charitable organization.
3. Send the form with your payment or directly to the Parish Center.

St. Francis Xavier Jesuit Catholic Community  
Attn: Director of Resource Development  
4715 N. Central Avenue  
Phoenix, Arizona 85012

4. St. Francis Xavier Parish will submit the form and let you know when the matching payment has been received.
5. Questions? Don't hesitate to call our Parish Director of Resource Development, Tami Bohannon at 602-212.4514.

Thank you for your support!
