ST. FRANCIS XAVIER JESUIT PARISH

St. Francis Xavier parishioners and friends may rent Anderson Hall, for activities considered appropriate to the mission of the church. These activities may include wedding or sacramental receptions, family reunions, community meetings, group luncheons or similar activities.*

Anderson Hall is designed to accommodate gatherings from small and intimate to large and elaborate. The Hall can be set for banquets up to 350 guests, conferences and theater-style functions for 500 guests, or smaller events ranging from 30-100 people within four of the conference rooms that can be created from the larger space.

A catering kitchen is available for all events where food and beverage are served. We offer a “preferred list of vendors” for all catering services.

Parish members will be given priority over non-parish events but may not cancel any existing confirmed rental. Use of Anderson Hall may not occur on Sundays, or on nationally-recognized holidays.

For more information about booking your next family celebration or community event at St. Francis Xavier Parish Hall, please contact AndersonHallEvents@sfxphx.org.

*Quinceañera receptions, political events and concerts are not available at this facility.
